BECOME A NOVA SUBSCRIBER TODAY!

Why should I subscribe?

Your subscription and donation provides you with the peace of mind that you will not be responsible for paying any portion of your bill not covered by your insurance plan, while providing NOVA with the necessary support to continue providing exceptional quality emergency care.

By subscribing, you and family members residing in your household will not incur any out-of-pocket expense if you suffer an illness or injury that requires medically necessary emergency ambulance service.

All emergency responses provided by NOVA will be billed to your insurance carrier or Medicare for services rendered.

I have health insurance. Why should I subscribe?

Check with your plan; your ambulance bill may not be fully covered. Also, most health insurance policies today come with deductibles and co-pays that are your responsibility. As a subscriber, your insurance carrier's reimbursement is accepted as payment-in-full meaning no out-of-pocket expenses for you!

But I'm on Medicare...

Medicare does not cover every expense, and a subscription ensures you will not be billed by NOVA for any amounts not paid by Medicare.

What if I don't have health insurance?

If you elect not to have insurance coverage, as a subscriber you will be entitled to a discounted rate.

Non-subscribers are responsible for the full cost of service which could exceed \$1,000!

Do you bill my insurance?

YES! We will bill your carrier or Medicare for the services we provide whether or not you are a subscriber.

Both subscribers and non-subscribers are responsible for forwarding any payments they receive from their insurance carrier to NOVA immediately upon receipt!

When does my subscription start?

Returning your subscription today will cover you from January 1st through December 31st, 2017. (Subscriptions are neither retroactive nor pro-rated.)
