DEPARTMENT OF GENERAL SERVICES

PENNDOT ONLINE HEAVY EQUIPMENT AUCTION**Private Auction for Pennsylvania Municipalities ONLY starts April 22<sup>nd</sup>**

The State Surplus Property Program is offering off-road equipment, dump trucks and other items to municipalities before being offered to the general public for sale. Municipalities can register with Auctions by Gov to view property available, receive notices of up-coming municipal sales, and to bid on property currently available at <http://padgs.assetnation.com>, with our on-line auctioneer. For additional information, or to register your municipality, contact Clint Francis at (724) 630-6615, or by email at [cfrancis@assetnation.com](mailto:cfrancis@assetnation.com).

- This is a great opportunity to obtain surplus PENNDOT heavy equipment prior to a public sale.
- This is an online auction
- Once you have registered, Auctions by Gov will need to review your registration and grant the appropriate access into the private site.
- Once your registration has been verified and you have been granted access to the site, you can view the available items once they are posted.

**Public auction starts May 26<sup>th</sup>**. All available property will be listed on [www.auctionsbygov.com](http://www.auctionsbygov.com) and available for view at

**Items Including: Tandem Axle Dump Trucks, Loaders,
