ANNUAL SUBSCRIPTION INFORMATION

We invite you and your family to become subscribers of Northern Valley Emergency Medical Services for 2016. Your donation as a subscriber is tax deductible and benefits the entire community.

Did you know...

NOVA is a non-profit organization with an operating budget of more than one million dollars. Recent changes to health care have reduced income while operating costs continue to rise. Subscriptions and donations make it possible for NOVA to provide service to your community.

As a subscriber, you will not be billed for balances owed on services that are partly covered by your insurance plan.

During 2016, NOVA will respond, within minutes, to over 3,000 basic and advanced emergency medical calls. More than half will be life threatening.

NOVA provides training in AED use, First Aid and CPR for the community, local police and volunteer fire companies. Health and safety seminars are available to local schools and volunteer organizations, courtesy of NOVA.

“Caring” is what we do best!

NOVA COVERAGE AREA

NOVA NEEDS YOU!

Your donation and subscription is critical to the continued operations of NOVA. Without your support we would not be able to meet the financial needs of the organization. Insurance payments alone are no longer enough to cover the costs associated with maintaining and fully equipping each ambulance with state-of-the-art equipment needed to care for your emergency.

Additionally, payroll costs continue to increase as fewer volunteers are available to meet our staffing requirements. If you are interested in volunteering or learning more about our volunteer program or Auxiliary, please contact the NOVA business office at 610-262-1075.

To subscribe, complete the Subscription Form and mail it with your check.

Thank you for your continued support!
