Home Water & Septic System Workshop

Date: Tuesday, May 22

Time: 6:30 - 8:30 PM

Cost: Free

You Will Learn:

- How to protect your health, your property, and our shared ground and surface water resources
- How to test and treat your drinking water
- How to maintain your septic system

Free Drinking Water Testing

Free educational drinking water testing will be provided for the first 30 households to register. Results from simple tests can help guide you in future testing by accredited labs. Water collection instructions will be provided to registrants.

Support provided by the Master Well Owner Network grant from PA DEP and PGWA.

Location:

Lehigh County

Heidelberg Township Building

6272 Route 309

New Tripoli, PA 18066

To register:

Call 1-877-345-0691

Online:

extension.psu.edu/home-and-septic-workshop

Deadline:

Registration closes May 18

If you anticipate needing any type of accommodation or have questions about the physical access provided, please contact Jennifer Fetter (717) 921-8803 in advance of your participation or visit.

This flyer is available in alternative media on request.

Penn State is an equal opportunity, affirmative action employer, and is committed to providing employment opportunities to all qualified applicants without regard to race, color, religion, age, sex, sexual orientation, gender identity, national origin, disability or protected veteran status.
